College and Career Ready Summative Assessment Dates (CCRS)

The CCRS Summative Assessments match the content and skills outlined in the standards that guide instruction in your child's classroom. The assessments are designed to measure real-world skills such as problem-solving, critical thinking, and writing.

In preparation for the CCRS Summative Assessments, please make sure that your child has a good breakfast on the day of the test. Parents are encouraged to schedule doctor's appointments and other activities around testing dates.

If you have questions about our upcoming spring test administrations for CCRS Summative Assessments, please contact Fran Roberts, School Counselor at fran.roberts@dodea.edu or call 843-466-7100.
